

The logo for BMJ (British Medical Journal) is displayed in white text on a blue background. To the right of the logo is a blue banner containing several white icons: a microscope, a speech bubble, a computer monitor, a stethoscope, and a book.

BMJ in the News is a weekly digest of BMJ stories, plus any other news about the company that has appeared in the **national and a selection of English-speaking international media**.

This week's (23-29 Nov) highlights include:
