

The image shows the BMJ logo in white on a blue background. To the right of the logo is a horizontal strip of blue icons representing various medical and scientific concepts, including a microscope, a speech bubble, a computer monitor, a stethoscope, and a book.

BMJ in the News is a weekly digest of BMJ stories, plus any other news about the company that has appeared in the **national and a selection of English-speaking international media**.

This week's (11-17 July) highlights include:

The BMJ
