## Advanced search

## Trusted content

## Available offline

## Steps to download

### Is your access to BMJ Best Practice provided by your institution?

1. Access the BMJ Best Practice website using your institution's method of access (Institution's network, OpenAthens, Shibboleth or Access Code). If unsure, please speak to your librarian or contact [support@bmj.com](mailto:support@bmj.com).
2. Once you have accessed the BMJ Best Practice website, you'll see a box at the top of the screen, click Register for a personal account or Log in if you already have one. You will need your 'personal account' details to access the app.

### Accessing the app

1. Access your Apple or Google Play store and search for 'BMJ Best Practice'.
2. Select the app and when prompted, use your BMJ Best Practice 'personal account' details to sign in and download the content.

### Did you purchase BMJ Best Practice yourself?

1. Access your Apple or Google Play store and search for 'BMJ Best Practice'.
2. Select the app and, when prompted, use your BMJ Best Practice 'personal account' details to sign in and download the content.

**Current app users:** Once you have downloaded the new app please delete your old app. The old BMJ Best Practice app will cease to be updated.
