

The logo for BMJ (British Medical Journal) in white text on a blue background.

BMJ in the News is a weekly digest of national and international news coverage in English for BMJ, The BMJ, and BMJ Journals.

The content is provided daily by Cision and Google Alerts. The views expressed are those of the individual journalists/outlets: they are intended to represent the breadth of media coverage, not endorsement by BMJ or the media relations team.

Coverage for 20- 26 June

INFLUENCE

Daisy Cooper Liberal Democrat Spokesperson (Health and Social Care) mentioned The BMJ investigation into violent incidents at GP surgeries in a [House of Commons debate on Access to GP Services and NHS Dentistry](#) 21 June 2022

Evening Standard of 22/06/22 referred to the **British Journal of Sports Medicine** Research on the 10 second one legged stand link to longevity in its political cartoon on the comment page. This depicted Mick Lynch, RMT union leader, currently at loggerheads with Transport for London over pay and conditions, standing on one leg, with the speech bubble: "I could do this all year."

The BJSM press released research on standing on one leg generated the highest total mentions on social media and in the press:

Outputs with the most mentions in the past week

Article in **British Journal of Sports Medicine**, June 2022

[Successful 10-second one-legged stance performance predicts survival in middle-aged and older individuals](#)

Mentioned **666** times in the past week

Twitter and LinkedIn posts for the press release on industry bias in cost-effectiveness studies (The BMJ) generated engagement this week:
